## NOT-TO-BE MISSED EVENTS

### LE TOUR DE FRANCE

The Tour de France and Ariège share a rich history. Since 1903, the Grande Boucle has captivated the region, with its colorful peloton conquering steep climbs and racing down breathtaking passes. The legendary, untamed routes of the Ariège Pyrenees continue to challenge riders, showcasing the wild beauty of this extraordinary landscape.

In 2024, the Tour de France made its way to Ariège for the 15th stage : Loudenvielle / Plateau de Beille! The Tour de France will certainly return to Ariège in 2026.

## CASARTELLI RACE - SAINT-GIRONS

The Fabio Casartelli Memorial Race gathers each year a great number of cyclists, coming to pay Casartelli an homage.

Indeed, on July 18th, 1995, the Italian Olympic champion Fabio Casartelli fell to his death, after the Col du Portet d'Aspet, while cycling on the Tour de France. The last time he started a stage of the Tour de France was in Saint-Girons.

It is the reason why it is so important to us to preserve the memory of Fabio Casartelli and honor this great cyclist. Since that day, the memory of Fabio Casartelli has rhymed with friendship, conviviality, mutual aid and solidarity.
